

## **Material Warranty of ClimAir PLAVA Kunststoffe GmbH**

**The company:** ClimAir PLAVA Kunststoffe GmbH

Am Spitzacker 20 – 22

61184 Karben

**grants as the manufacturer a 10-year material warranty for weather resistance in accordance with Section 443 of the German Civil Code (BGB), which includes the following:**

1. Color stability through uniformly dyed material (UV-resistant and colorfast).
2. Material durability under weather conditions, including shatter resistance according to Section 22 StVZO
3. Material quality, featuring a smooth and non-porous surface.

**This warranty applies to the following products/product groups in the area of rain and wind deflectors:**

- Profi
- Master
- Aulux
- OpenAir

### **The warranty covers the following claims:**

If during the 10-year manufacturer's warranty a defect such as discoloration, cracking, or surface alteration caused by material faults occurs, these will be repaired, restored, or replaced with new parts following an individual case review and at the discretion of the manufacturer.

Replaced parts become the property of the manufacturer.

An extension of the warranty after a defect report and/or replacement delivery is excluded.

***A claim for material warranty must be submitted in writing to the manufacturer immediately upon becoming aware of the defect and within the warranty period.***

***The following damages are excluded from the warranty:***

- ***Improper handling (impacts, shocks, or any form of violence)***
- ***Use of inappropriate aggressive chemical cleaning agents***
- ***Use of abrasive cleaning agents, materials, or tools***
- ***Disregard of installation or assembly instructions***
- ***Alteration of the surface by adhesion, foiling, painting, etc.***
- ***Modification or alteration of components in any form by the buyer or third parties***
- ***Insufficient maintenance of the products***
